

LOCAL FLU SCREENING SITE IS ESTABLISHED

Summit Health has opened a flu-screening site in Chambersburg for people who are unsure if their cough and sniffles are the flu or just a cold.

The flu-screening site in the Park Fifth Avenue Complex, 765 Fifth Avenue, Chambersburg, will be open from 5:30 to 8:30 p.m. Mondays and Thursdays and from 2:00 to 6:00 p.m. on Sundays. No appointment is necessary, but patients are urged to call ahead to confirm operating hours at 717-709-4780.

The screening site will be open to people age 12 and older. Due to increased risk to expectant mothers, pregnant women will not be evaluated at this site. Pregnant women who feel they need to be screened for the flu should contact their physician.
