GASD Families,

A student made a threat of violence against the High School last evening. It was reported to the police, they investigated and questioned the student. The student will not be in school today. Administration will continue an investigation.

We believe there is no immediate danger, however, we felt it important to notify each of you. Please be certain that we are doing everything in our control to continually ensure the safety of the students and staff of the Greencastle-Antrim School District.

Sincerely,

C. Gregory Hoover, Ed. D.
